Beverages

Members may provide their guests with an open bar and the member's account will be charged for only the amount of alcohol consumed. If the member hosting an event does not wish to pay for alcoholic beverages, yet would like guests to have access to purchasing such, we can set up a way to have such guests pay for their own drinks by credit card only. No cash payments are accepted. **There is a \$100 set up fee per bar and a \$10.00 per hour per bartender charge that will be billed to the member's account.**

The club uses disposable Styrofoam cups and plastic glassware for drinks, should you desire to use regular glassware, there will be an additional \$300.00 charge.

Searcy Country Club strictly follows all Arkansas Alcohol Beverage Control Commission Laws.

The club's general policy is that the club furnishes all alcoholic beverage products.

Food Services

The Club staff can provide a variety of food services to members and their guests. We have a full service kitchen capable of preparing excellent cuisine for small or large groups. Our banquet menu has a variety of items to choose from for every type of function. We can also custom design a menu specifically for your function. If you have a favorite dish that you or someone else has served in the past, bring us the recipe and our cooks will be happy to prepare it for your party.

For groups of sixteen (16) or more people, it is required that a menu be pre-selected. This helps to insure timely service and menu item availability.

The club does not allow the use of outside catering services. The club does not allow any food to be brought in from outside sources, with the exception of specialty desserts such as wedding cakes, birthday cakes, etc.

For receptions if a band or D.J. is used it is requested that they have all equipment in place at least two hours in advance of the beginning time of the event. This is to allow time for the room to cool back down during summer months.

Property & Liability

The club does not allow anything to be taped, nailed, glued, or tacked to any woodwork, ceilings, or walls in the clubhouse.

No rice, glitter, or confetti may be thrown inside the clubhouse. The member or sponsor member is responsible for any damages to the clubhouse during any function and will be charged accordingly.

Additional Costs

The club will charge for specialty tablecloths and napkins if requested. Any additional equipment or any other rentals will be charged to the member's account. In addition, the room rental above is for a four-hour duration. If additional time is needed, the Club will charge an additional \$300 per hour or any portion thereof.
