## Message from the General Manager,

I hope that everybody had fun at our 4<sup>th</sup> of July celebration. The golf carts were astonishing and I loved all the enthusiasm put into this event. Special thanks to our judges. The winners were narrowed down, but it was not an easy decision. All the members did a remarkable job. All participants be sure to take advantage of your free 2 topping pizza. Special thanks to the Searcy Police and Fire Department for making our 4<sup>th</sup> a BLAST-OFF! Feel free to contact me with any questions or concerns (501) 388-6736.

Dean Morrison

## From the Pro Shop,

The PGA Junior League has been an incredible experience. If your kids are not involved, they need to be next year!! We have played 4 matches so far. We have won two and lost two. The kids are doing great, and are having an absolute blast. We had our first junior clinic in June. We had 27 juniors come to the camp. The last clinic is July 14-17, so don't miss out.

We had a couple of tournaments in June. First was the two man match play scramble. We went from having 28 teams to 47 teams in one year. The reason is because the format of the tournament is so much fun. Make sure you make it a point to play next year. Blake Showalter and Dwayne Cox beat Mike Beebe and Hubert Higgs on the final shootout hole to win the overall championship. The second tournament was the Senior and Super Senior club championship. Eddie Warrington won the Super Senior (65+) championship. Mike Noble beat Steve Taylor in a playoff to win the Senior club championship. The last tournament was the Joan Chronister. I feel like this was the best Joan Chronister in quite some time. Here are the results:

Flight A	Flight B	Flight C
Reynolds Chapman 65	Cooper Mahon 75	Hammonds Stoke 81
Bartels Dobbs 71	Grady Cruthrids 76	Jackson Buchly 82
Vines Heffner 72	Stewart Brady 76	Belue Wheeler 83
East Bentley 72	Harris Shumate 76	Sanders Fair 83

We have three tournaments in July. The first is the interclub matches. The tournament committee will take the members that are signed up, split the teams, and make the matches for the Saturday's rounds of best ball and alternate shot. Then after the rounds Saturday the teams will decide the individual matches on Sunday. It should be a lot of fun. The second tournament is the ladies club July 21 and July 22. The final tournament this month is the 4-Ball. This is always a great tournament, and it is filling up fast. If you are wanting to play, better sign up quickly in the pro shop.

Thanks,  
Bruce Baxley, PGA
